

Dear **Second Grader**,

We hope you have a great summer filled with lots of fun!

It is very important to do some reading, writing, and math practice over the summer to make sure you are ready for Second Grade. Here is a packet for you to work on over the summer.

Also, please select one fiction book to read over the summer. Please fill out the last part of the packet based on the fiction book you choose.

Enjoy the sunny days ahead. We can't wait to have you in class!
Ms. Burger, Mrs. Fitzgerald, & Mrs. MacKenzie

Summer Activities

Color in the box after you have completed each task

<p>Start at 5 and skip count by 10's until you reach 105.</p>	<p>List as many addition equations you can that have a sum of 14.</p>	<p>Count backwards by 5 from 100 to 0.</p>
<p>Solve the equation and write a word problem to match.</p> <p>$12 + 17 = \underline{\quad}$</p>	<p>Start at 7 and skip count by 10's until you reach 107.</p>	<p>List as many subtraction equations you can that have an answer of 3.</p>
<p>Roll a die 2 times and use the numbers to create two addition and two subtraction equations.</p>	<p>Starting at 60 skip count by 2's until you reach 100.</p>	<p>Solve the equation and write a word problem to match.</p> <p>$3 + 12 + 3 = \underline{\quad}$</p>
<p>Solve the equation and write a word problem to match.</p> <p>$59 - 24 = \underline{\quad}$</p>	<p>List as many addition equations you can that have a sum of 15.</p>	<p>Figure out how old you will be 4 summers from now.</p>
<p>List as many subtraction equations you can that have an answer of 1.</p>	<p>Solve the equation and write a word problem to match.</p> <p>$4 + 10 - 6 = \underline{\quad}$</p>	<p>Roll a die 3 times and use the numbers to create a 3 addend equation.</p>
