

Summer Assignments
Students Entering 3rd Grade

Welcome to 3rd Grade!! We hope you have a fun-filled summer. It is important that you take time to relax, but you also need to keep your brain sharp! This packet is filled with engaging and fun math, reading, and writing activities. Over summer vacation we encourage you to work on these skills! We are looking forward to an amazing year ahead!!!

Math: To be third grade ready, it is important you have memorized your addition and subtraction facts. We will jump right into multiplication facts in September. We have attached some math practice that will **review** your 2nd grade skills. Please complete the packet and return it to school on the first day. **IXL** is a great way to practice different math concepts, and we encourage you to complete **IXL** activities over the summer. You will find a progress chart in your packet.

Reading: Please choose **ONE** of the following required books listed below. After you read your chosen book, complete the **story map** and **character web** in this packet. We will share your amazing work during the first week back!

- Muggie Maggie by Beverly Cleary
- Stuart Goes To School by Sara Pennypacker
- Third Grade Angels by Jerry Spinelli

In addition to your fiction text, we recommend that you pick a *non-fiction text*. Your summer packet has an activity that you will complete once you've finished your reading.

Finally, RazKids has been updated and will be available to you this summer. It is a great way to practice your comprehension skills.

Have a great summer and happy learning!

Ms. Kowalski, Mrs. Vetere & Mrs. Massaro

Name _____ Date _____

Story Map

Title _____

Author _____

End _____

Name _____

What DO YOU KNOW ABOUT THE CHARACTER?

Draw a picture of the main character. Then fill in the frames with words that describe the character.

Use some of your words and write a sentence about the character on the back of this page.

Name _____

Reading Response for Nonfiction

Title

Author

Write three facts/details from the selection.

Name _____

Fun in the Sun!

Directions: Solve. Then color the buckets using the color code.

$$\begin{array}{r} 54 \\ - 34 \\ \hline \end{array}$$

$$\begin{array}{r} 63 \\ - 46 \\ \hline \end{array}$$

$$\begin{array}{r} 90 \\ - 28 \\ \hline \end{array}$$

$$\begin{array}{r} 57 \\ - 33 \\ \hline \end{array}$$

$$\begin{array}{r} 26 \\ - 15 \\ \hline \end{array}$$

$$\begin{array}{r} 76 \\ - 57 \\ \hline \end{array}$$

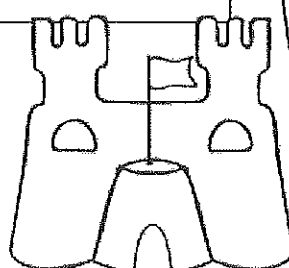

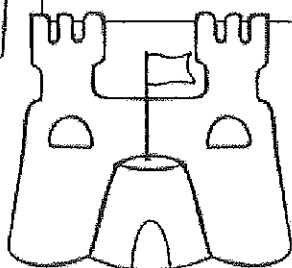

$$\begin{array}{r} 72 \\ - 70 \\ \hline \end{array}$$

$$\begin{array}{r} 44 \\ - 19 \\ \hline \end{array}$$

$$\begin{array}{r} 62 \\ - 32 \\ \hline \end{array}$$

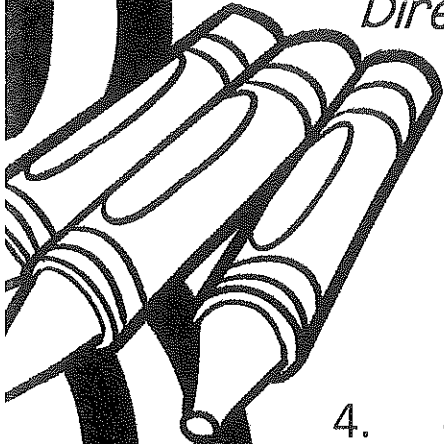

Color Code
 regrouping- blue
 no regrouping- red

$$\begin{array}{r} 25 \\ - 17 \\ \hline \end{array}$$

Name _____ Date _____

Directions: Add the numbers to find the sum.

$$\begin{array}{r} 1. \quad 152 \\ + 841 \\ \hline \end{array}$$

$$\begin{array}{r} 2. \quad 213 \\ + 346 \\ \hline \end{array}$$

$$\begin{array}{r} 3. \quad 194 \\ + 302 \\ \hline \end{array}$$

$$\begin{array}{r} 4. \quad 475 \\ + 921 \\ \hline \end{array}$$

$$\begin{array}{r} 5. \quad 611 \\ + 870 \\ \hline \end{array}$$

$$\begin{array}{r} 6. \quad 843 \\ + 451 \\ \hline \end{array}$$

WORD PROBLEM: Vicky and Katie are collecting seashells. Vicky has found 314 shells and Katie has found 225 shells. What is the total amount of shells that the girls have collected? _____
