IV. President's Report

During these difficult times I would like to take a moment to thank Mrs. Gadaleta and her entire staff for all of their efforts. They have spent the last weeks educating the children on the safest health habits, keeping the school environment as clean as possible and preparing themselves and the children for remote learning. Rather than having a school closure last week, Mrs. Gadaleta and the staff prepared for the possibility of remote learning during the normal school day, by having substitutes assist them. That made it possible for us not to disrupt the school week and cause parents to have make adjustments for childcare. We appreciate all of them going above and beyond the call of duty for our kids and community. Thank you to Mayor Davis for sharing his perspective during this time so we can do what is best for our school and community as a whole. Thank you also to the parents for their patience and understanding during this difficult time. We are going to be discussing the remote learning situation later in this meeting. Feel free to stay and listen and make comments at the end of this meeting during the "public comments" portion. The Board is not able to have a back and forth conversation because of ethical rules and constraints. That being said, we would like to hear what you have to say in order to have feedback from our community that will help us in our decision making process. This is a stressful time with many unanswerable questions. Now we have a chance to come together as a community and we look forward to all of us working together to take care of our children, and one another. Thank you.

The staff are required to provide 4 hours per day of instruction to count to the required 180 days. Mrs. Gadaleta is so thankful for how hard the staff is working. Mrs. Gadaleta noted that communication will be the key for everyone and she thanked everyone for their patience during these difficult times.
- Mrs. Gadaleta noted that parent / teacher conferences will take place via phone calls and we will utilize Sign up Genius to schedule the times.

XII. Meeting Open for Public Comment

- Mrs. Moran noted that the remote learning has gone very well. She thought Ms. Wieczorek's online session was great.
- Mr. Davis noted that how EFS has handled the current situation has been phenomenal. He had been in email contact with a teacher and agreed with Mrs. Moran that being able to see the staff would be beneficial for the children. Mr. Davis also noted that he attended last week's speaker regarding COVID-19. He wanted to note for the record that he did not agree that closing the school would be caving and how EFS has handled the situation was appropriate. He thanked the district for their efforts.

March 18, 2020

- Mrs. Autret thanked the district for their handling of the current situation. She also noted that it was nice to see the staff in videos. Mrs. Autret asked if it were possible to be a point person to assist families in need with watching their children during the day. The Board deferred to Mayor Davis. Mayor Davis first thanked Mrs. Gadaleta and the Board of Education as whole for all of their efforts the last 10 days. He not only thanked them as Mayor but also as a parent. Mayor Davis noted that he loved Mrs. Autret's idea, however the idea would fall under a day car scenario which would ultimately be shut down. Mayor Davis noted we do not want to promote groups of children/parents gathering together.
- Mrs. Huegel thanked the public and Mayor Davis for their participation.
