

Essex Fells School is a “Reward School”

Essex Fells School has been identified as a "Reward School" by the New Jersey Department of Education. This outstanding distinction means that EFS is among the highest performing schools in the State as measured by school-wide proficiency and subgroup proficiency on the NJASK assessments. Our overall proficiency was greater than 90% over the past three years. Specifically, we are one of 48 "High Achieving" schools on the list and one of 17 elementary schools. The additional nine schools listed for this distinction are those that showed "High growth." The Essex Fells Community should be extremely proud of this honor. The hard work and dedication of our staff and students has paid off in earning this grand status. Thank you for the continued support of Essex Fells School where “Studies Pass into Character.”
